

Dear partners:

We hope you're all healthy and doing well.

As we know many of your students are not allowed to come to Spain this Summer, and as we announced a few weeks ago, we will be teaching live-online with different schedules so that students in different time zones can connect **live** to the classes.

SUMMER (4 weeks – Spanish Plus and Hispanic Studies programs: live-online)

Dates for the Summer programs (remain the same):

June: 1st-26th

July: 1st – 28th

(NO registration fee for summer courses)

Fees (no registration fee):

1 course: 415€

2 courses: 740€

Each course will be 6 ECTS / 3 US credits, and students will be allowed to take a maximum of 2 courses.

Registration deadline for summer programs: 10th of May

FALL (less than 90 days!)

As previously announced the **FALL** programs (starting in September) have been **intensified** so that students **don't need a VISA anymore!!**

We have increased the number of weekly hours of class, so that the whole Fall program happens in less than 90 days! **Students can come to Spain with just a tourist VISA!**

NEW Dates for the Fall programs:

- Spanish Intensive preparatory course: **September 14-15**
- Beginning of the Semester: **September 28**
- End of the Semester: **December 18**

Fees (not changed):

4.625€ + 70€ registration fee

Each course will be 6 ECTS / 3 US credits, and students will be allowed to take a maximum of 5 courses, which can be found in the FALL/SPRING Brochure attached to this email.

All my best wishes from Spain and I look forward to hearing from you soon.

Regards,
Raquel
