### PROGRAMS / HIGHLIGHTS

- Short-term and semester options in English and Spanish.
- Study abroad / Direct enrollment options in STEM, Business, Humanities, Liberal arts.
- Summer Program: Language, Identity and Global Citizenship (with electives in English or Spanish).
- Faculty-led programs: we can develop a tailor-made program just for your institution, or your group can join/register in the University of Alicante programs (language or electives) running all year round.
- Professional Development courses for Teachers of Spanish (both face to face and online programs)

The University of Alicante is a public university located on the Mediterranean coast. Because of our historical influences, excellent location and magnificent connections, we are a diverse, inclusive and welcoming university with one of the best campuses in Spain, not only in terms of infrastructure, but also in terms of landscaping, sustainability and gender equality.

We are a multidisciplinary university with study programmes in all fields of knowledge organised in six faculties and a polytechnic school.
