SEVILLA

Seville is a sunny city full of life and history. It is the third most visited city in Spain, after Madrid and Barcelona.

Seville has many stories to tell and emblematic places to visit: the Real Alcázar, Plaza de España, Torre del Oro, the Cathedral, the Santa Cruz neighborhood, Triana and different palaces such as the Casa de Pilatos or the Palacio de Dueñas. All these places are full of color and history and surprise people of all ages, since Seville is unanimously considered one of the most beautiful cities in Spain.

The architectural beauty of its monuments, its more than 300 days of sunshine a year and its wide range of leisure activities make it an incomparable city.

Seville is the epicenter of our company and is home to our largest school, Idiomas Carlos V Sevilla, which opened in September 2014.

-Francesca, 17
Italy-

“ We have been in different groups and we have been able to socialize with so many different people and discover new things.”

malaga

Malaga is known not only for its rich cultural heritage, but also for its natural beauty and for being an essential coastal destination. Its beaches offer moments of tranquility, complemented by a gastronomic offer that stands out for its flavor. The city, with more than 300 days of sunshine a year, invites you to enjoy its lively nightlife, with bars, restaurants and cultural events.

Malaga is one of the most appreciated tourist destinations in Spain due to its beaches and unbeatable climate.

Our school Idiomas Carlos V Malaga offers a wide range of language courses and regularly hosts groups of students and teachers in cultural and professional programs.

-Carmine, 64 (teacher)
Italy-

“ The Málaga team of Carlos V has been very welcoming. We have truly felt at home. ”

madrid

Madrid is the capital and largest city in Spain, and as such, its opportunities and leisure activities are endless. Madrid stands out not only for its frenetic urban life, but also for its rich cultural heritage and welcoming character. The heart of Spain is home to iconic landmarks such as the Royal Palace, Puerta del Sol and the Prado Museum, which immerse visitors in centuries of history and art.

Madrid is the place where everything is possible, offering a perfect blend of culture, fun and entertainment.

Our school Idiomas Carlos V Madrid is just a 15-minute walk from the Retiro Park, making it an ideal location to explore the city's charms on foot.

-Theodore, 16
Austria-

“ I am really enjoying it here.
I am meeting friends from
everywhere and its so fun... ”

santander

Santander (Cantabria), in northern Spain, is a combination of green mountain scenery with white sandy beaches, elegant mansions and palatial architecture.

This coastal enclave is not only known for its beaches and port, but also for its rich history. The Magdalena Peninsula, with its palace and gardens, and the imposing cathedral, tell of centuries of cultural heritage. Santander's gastronomy, with its emphasis on local produce and fresh seafood, adds a distinctive culinary touch to the experience.

This picturesque location is available in our faculty-led university program as well as in our summer programs.

-Caitlyn, 18
United States-

“I really loved Spain and its architecture and culture, plenty of History.”

valencia

Valencia, a charming Mediterranean city, combines history and modernity. Its avant-garde architecture, represented in the City of Arts and Sciences, blends with its historic streets and imposing cathedral. Paella, born here, delights the palate, and events such as Las Fallas fill the streets with color and excitement.

Valencia is the third most populous city in Spain, after Madrid and Barcelona. With its pleasant climate, the welcoming character of its people and its vibrant urban life, it proves to be a unique destination for those who discover it.

This location is also available in our summer programs.

-Jannis, 20
Germany-

“ I've had a fantastic time, it's a wonderful city. You can visit many places, walk around the center, I have done many things with my roommates. ”

OTHER DESTINATIONS

Discover with us the diversity and richness that Spain has to offer.

If your imagination takes you to other cities or destinations in Spain, let us know your preferences and we will design a customized itinerary for your group of students.

From north to south, through the heart of Spain, each city offers a unique and enriching perspective. We are here to adapt to your needs and ensure that each trip is an unforgettable educational experience.

ACADEMIC SPANISH COURSES

These Spanish courses are specially designed for foreign students who wish to study a university degree, a postgraduate master's degree or a doctorate (Phd). The courses are recommended to guarantee success in accessing university studies or to prepare students to enter the Spanish labor market.

The student will be able to obtain the official DELE certification of his or her level of Spanish once the course is finished, if desired, making the experience much more complete and interesting.

SCHOOL TRIPS

These trips are specially designed for schools with groups of students interested in this experience, who must always be accompanied by a teacher.

At Carlos V Education we create each itinerary with attention to detail, seeking to satisfy interests, objectives and schedules. No two trips are the same; we specialize in educational experiences that adapt to different teaching preferences.

As educators, we believe that learning transcends the classroom. Our dedication to creating memorable educational and cultural experiences defines each trip. It's about capturing the essence of a destination, immersing ourselves in its culture and forming connections across borders.

FACULTY-LED UNIVERSITY PROGRAM

With our Faculty-Led programs, we offer university professors and their groups of students the opportunity to immerse themselves in a unique and enriching educational experience.

We provide a space for them to teach their classes using our modern school facilities in Spain, in the cities of Seville, Malaga and Madrid. Our commitment is to provide an environment conducive to learning. Although we have a physical school in these cities, we adapt to the interests of the group and design educational programs anywhere in Spain, as we have agreements with different Spanish universities.

We tailor each program, allowing flexibility in the itinerary and length of stay. In addition to classes, we organize a full agenda of cultural visits and activities related to the students' field of study.

INTERNSHIPS TO TEACH ENGLISH IN SPAIN

MORE INFO

PLAY VIDEO

Our internships offer students with an interest in teaching the opportunity to work with high school aged students who are learning English.

Our programs are from two to six weeks from June through August and give the student teacher the opportunity to gain valuable classroom experience as well as the opportunity to improve their Spanish as they immerse themselves in the Spanish culture.

Classes meet for three hours each day and there are also opportunities to join their students on cultural visits, workshops and excursions.

Student teachers will work hand in hand with our staff and have full access and training on all materials, audiovisual equipment, and carefully designed lesson plans as well as being encouraged to bring their own unique talents and ideas to the classroom.

The ideal candidate has an interest in both exposing themselves to new cultures as well as a practical interest in language acquisition.

INTERNSHIP PLACEMENT IN SPAIN

EDUCATIONAL, PROFESSIONAL, SPORTS AND CULTURAL PROGRAMS IN SPAIN

At Carlos V we have a long history of developing Erasmus+ programs. Since 2016 there have been numerous students and teachers who have trusted us, doing their internships,

workshops or visits in one of the more than 500 companies with which we have collaboration agreements.

As a participant of our Erasmus+ Programs, you will have access to a wide variety of accommodations, from host family homes to student residences. Our team of professionals chooses and supervises the conditions of the accommodations and ensures that they are suitable to host our students.

The Erasmus+ Programs allow their participants, while doing their internships, to be introduced to the Spanish culture through a series of activities. Among them, cultural visits, flamenco shows, cooking workshops, or visits to the most emblematic places in the country.
