WHY STUDY AT UNIVERSIDAD REY JUAN CARLOS (MADRID)?

Nuestra Universidad te ofrece una plantilla de profesores apasionados por darte la mejor formación. Son, a la vez, profesionales dinámicos, flexibles y adaptados a las nuevas metodologías docentes. También cuentas con unas instalaciones modernas y dotadas para dar respuestas a las necesidades metodológicas, así como laboratorios y otros muchos servicios fuera de las aulas.

Aunque nacimos para dar servicio a las personas de la Comunidad de Madrid, estamos implicados con todos los españoles y ciudadanos de la Unión Europea. Formamos parte del Consorcio Internacional de Universidades, EULIST junto a otras 8 universidades europeas y nos sentimos muy orgullosos del especial vínculo que nos une con Latinoamérica.

La relación calidad-precio de la educación superior española es extraordinaria, conlleva un coste para el estudiante significativamente inferior al que tendría que sufragar en Estados Unidos de América. El coste promedio de la matrícula para un grado en España (alrededor de 1.100 EUR anuales) supone un 5% del coste promedio para la misma titulación en Estados Unidos.

Our University offers you a staff of professors who are passionate about giving you the best training. They are, at the same time, dynamic, flexible professionals and adapted to the new teaching methodologies. You also have modern facilities equipped to respond to methodological needs, as well as laboratories and many other services outside the classroom.

Although we were born to serve the people of the Community of Madrid, we are involved with all Spaniards and citizens of the European Union. We are part of the International Consortium of Universities, EULIST together with 8 other European universities and we are very proud of the special bond that unites us with Latin America.

The value for money of Spanish higher education is extraordinary, it entails a cost for the student that is significantly lower than what they would have to pay in the United States of America. The average cost of tuition for a degree in Spain (around 1,100 EUR per year) is 5 % of the average cost for the same degree in the United States.
